

**Pre Determination of Admission
Memory Care Training Services
Compliance Note – submit 30 days before admit per R9-10-821.A.3.a-c**

This facility screens and assesses individuals for admission into our assisted living facility to ensure we can provide the qualified staff and services needed.

Adhering to Arizona Department of Health Services Division of Assisted Living licensing (ADHS) definitions, rules, and regulations, we need to obtain a document and orders prior to allowing an individual to move in and receive services.

ADHS requires every individual accepted into an assisted living facility to have documentation that is dated within 30 calendar days before an individual is accepted in the facility and at least once every 6 months throughout the duration of the resident’s need for memory care that states the level of care an individual is expected to receive.

Resident’s Name _____ DOB _____

The resident’s need have met and has been assessed to be appropriate for assisted living and this facility has the staff and qualifications available to provide the services and care needed. Please see our assisted living facility Scope of Services attached. **Please review the information below, sign, date and return this form to us as soon as possible. We are unable to accept the resident to our facility until we receive this form.**

Expected Level of Care:

- SUPERVISORY CARE SERVICES
- PERSONAL CARE SERVICES
- DIRECTED CARE SERVICES or MEMORY CARE SERVICES**

Memory care services means services that support individuals with dementia and other progressive and neurodegenerative brain disorders, including specialized environmental features, care planning, directed care services, medication administration services, specialized accommodations, activity programming or other services required by the department in rule.
